25X1
PLACE ACQUIRED []

SUPPLEMENT TO REPORT NO.

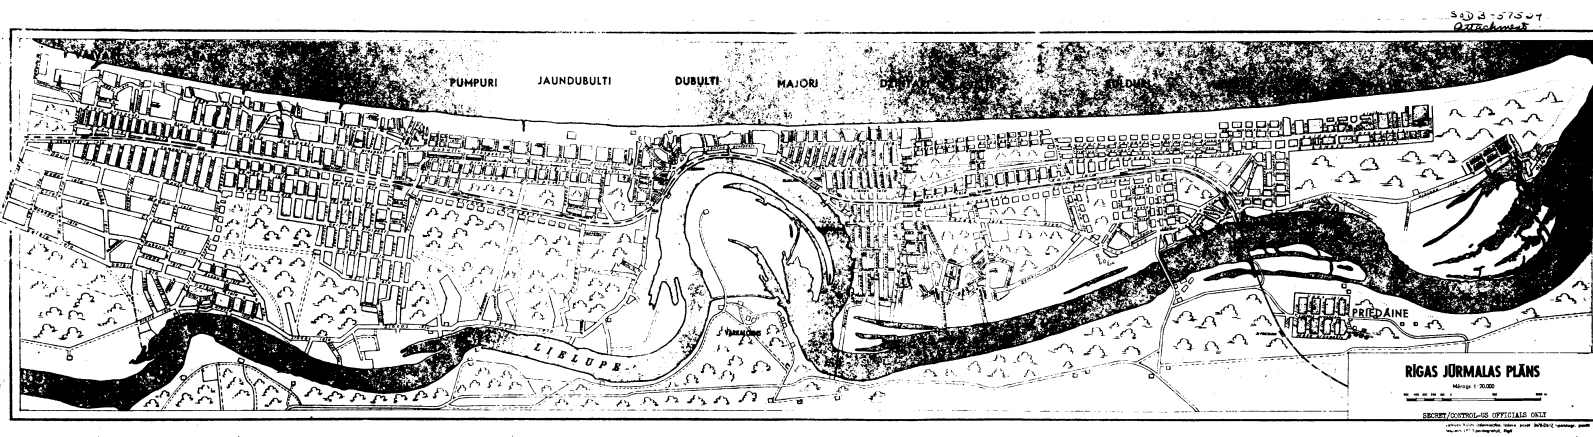

1. Attached is a plan of Riga Strand which has been printed since the war and is available in Latvia to the general public.
2. The plan differs from prewar maps in that some of the streets which have been renamed by the Soviet authorities are printed under their new names. The plan also shows the new road bridge built since the war, diverting road traffic from the original road and rail bridge across the Lielupe River.
